

Deze racefietsreis is de perfecte voorbereiding voor een geslaagd wielerseizoen. Met 6 verschillende etappes hebben we een mix van hele mooie routes, waarbij iedere dag gekozen kan worden uit verschillende afstanden en hoogtemeters. Deze week gaan we het trainingsgebied van de pro-teams verkennen met klimmen zoals de Col de Rates, Port de Tudons, Val d'Ebo, en Col de La Carga. Maar ook genieten we van de prachtige dag etappes waarbij we Cumbre del Sol, El Castell de Guadelest, Denia, Javea en Puerto de Bernia aandoen. En uiteraard vergeten we ook niet de vele leuke koffie – en lunch stops onderweg.
